

U-profile, angle for air mixing box and duct holder

Application

- As support for fastening ventilation components in shipbuilding

Your advantages

- Simple connecting parts for the variable attachment of ventilation components made of steel and aluminium

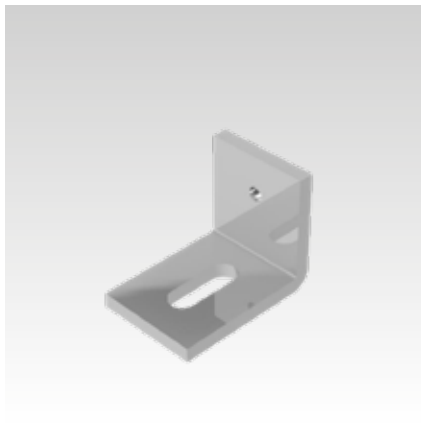

U-profile L = 2,000 mm, pos. 11

Angle for air mixing box, pos. 12

Angle for air mixing box, pos. 13

Angle for duct holder, pos. 14

Angle for duct holder, pos. 15
